

# Housing and Supported Independent Living

## Information for Centacare customers

We know that choosing a new provider for your home supports is a big decision. Northcott will work with you to understand the service needs of your house and how we can support a smooth transition.

Northcott's Housing and Supported Independent Living Services team offer a range of services that will enable you to live independently.

We are committed to working with participants to achieve independence. We work creatively and relentlessly with those we support to unlock, discover and unleash their potential, empowering them to be the best they can be now and into the future. We also personalise our supports because everyone is unique.

We are a registered NDIS provider which provides supported living services to over 440 participants in 135 homes. We have delivered supported living services for more than 50 years.
